Afternoon,

Thank you and yes there are similarities in the type of modification. The purpose of the P00001 administrative mod was to "correct" the ending date of the task order and to execute edits to the PWS.

The purpose of P00002 incorporates PWS refinement, specific to the highlights starting on pg. 7 with the sub-tasks under Task 5.

Please let us know if you have any additional questions,

Thank you,

*Andie*
